

CME/CPD Accreditation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The **4th Joint Congress of the INS European Chapters**, Istanbul, Turkey 22/05/2025 – 24/05/2025, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **17.0 European CME credits (ECMEC®s)**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits™*. Information on the process to convert EACCME credit to AMA credit can be found at <https://www.ama-assn.org/education/ama-pra-credit-system/agreement-european-union-medical-specialties-uems>

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more information, visit: <https://www.royalcollege.ca/ca/en/cpd/royal-college-accredited-cpd-providers/international-accreditation-agreements.html>

Credit Breakdown

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

Day	Maximum Credits
22/05/2025	5.5
23/05/2025	6.0
24/05/2025	5.5
Total Credits:	17.0

Educational Objectives

After attending this event, participants should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Analyze the latest advancements in neuromodulation, including emerging techniques, technologies, and clinical applications.
- Evaluate the efficacy and safety of current and novel neuromodulation therapies for various neurological and chronic pain conditions.
- Compare different neuromodulation approaches and their impact on patient outcomes, based on recent clinical evidence and case studies.
- Apply updated best practices in neuromodulation interventions to enhance patient management and treatment strategies.
- Critically assess the role of neuromodulation in multidisciplinary care and its integration with other therapeutic modalities.
- Discuss ethical considerations, patient selection criteria, and long-term management strategies for neuromodulation therapies.
- Identify challenges and future directions in

neuromodulation research, including the translation of scientific discoveries into clinical practice.

Target Audience

The **4th Joint Congress of the European Chapters of the INS** is the global meeting place for researchers, clinicians, and other health professionals to share knowledge and ideas on neuromodulation. Because of the diverse, clinically focused educational offering, participants are able to tailor the curriculum to meet the needs of international clinicians of all levels of experience.

To Receive Your CME/CPD Certificate

The CME/CPD certificate will be available after completing the online evaluation and credit-claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

Before **24 June 2025**:

1. Access the online system via the following [link](#)
2. Complete the anonymous online evaluation
3. Enter your username (conference registration email) and password (Registration ID) during the credit-claiming process
4. Complete the credit claim form and submit
 - *The CME/CPD certificate will be available for download and retained for your records.*
 - *Please note that web browsers Mozilla Firefox 2.X or higher, or Google Chrome are recommended. **Mobile devices are not supported.***
 - *Kindly note that the e-INS 2025 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.*

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest are resolved. Disclosure is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

- *View disclosure information [HERE.](#)*

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgement of all supporting organisations is made in the programme guide, on the event website, and with signage during the event.
