

Nurses / HCP Workshop

e-INS 2025 Nurses / HCP Workshop

“Workshop for Nurses and Allied Health Workers in Neuromodulation”

e-INS 2025 is delighted to announce that we will be holding a full-day workshop dedicated to nurses and allied health workers working in the field of neuromodulation.

We would like to extend an invitation to physicians who may be interested in attending the workshop. This event will cover a range of important topics, providing valuable insights and opportunities for professional growth.

We encourage open discussion and welcome diverse viewpoints, as they enrich the learning experience for everyone involved. If you or a colleague would like to participate, we would be delighted to have you join us.

Registration is now open!

Thursday, 22 May 08:00 – 15:00 | Hall B

Cost: 75 EUR

Registration for the US workshop is part of the Congress registration process. If you have already registered for the congress, please contact reg_eins25@kenes.com to add the

workshop.

[Click Here to Register](#)

Please note: There are limited places available in this workshop. Participation is on a first-come, first-served basis.

The workshop will be organized by experienced nurses. It comprises lectures, panel discussions, and hands-on activities. The workshop aims to be an interactive experience for everyone to learn and share ideas. We have ensured that the program's time will be dedicated to interesting and stimulating discussions and questions.

So let's make sure that we make the most of this opportunity to learn and discuss together, create new connections, expand our network, and use our time to collaborate with colleagues in neuromodulation!
